

# SECOND GRADE SUPPLY LIST

Mrs. VanValkenburg AND Mr. Pierson

2016-2017

Dear Parents and Guardians,

We know school supplies can be expensive. We will make good use of these materials throughout the year. We always need refills for #2 pencils and glue sticks. Please stick to the list and avoid buying all those cute-sie back to school extras. Our desk space is small and storing supplies becomes a problem. In fact, we only use the desks to store our iPads, white boards, a reading book, and one large zipper pencil bag with our tools neatly inside.

The second grade supply list includes:

- a Back Pack
- 1 Composition Notebook (writing)
- 1 1" 3 ring binder
- 4 of each color two-pocket folder: blue, green, red and yellow
- Flat pencil bag that zips (for tools inside desk). Boxes and fancy/cute holders don't fit in the desks easily and they don't hold all of the children's supplies as well.
- Number 2 Pencils and erasers (please replenish each marking period).
- Crayons - small boxes
- Colored pencils
- Glue sticks
- Dry erase markers
- Headphones for iPad
